

# Supply List for all students attending Riverside Junior High for 2020-2021

Please note:

- With Virtual Instruction to begin the year, you will likely not need ALL of these supplies at the outset. However, having many of them ready to go will be helpful for various learning activities even while at home.
- The following “General Supplies” list may have to be replenished over the course of the school year as supplies are used.
- We encourage you to mark the school supplies with the student’s name
- Students are expected to come to class prepared with the appropriate supplies.
- Following the “General Supplies” are team-specific and elective supply lists.
